# PART ONE

## ADMISSION POLICY

### A. CHOOSING A SCHOOL

The entry of children to schools is controlled and administered by an 'Admissions Authority'. In the case of community schools, the admissions authority is Merthyr Tydfil County Borough Council also known as the Local Authority (LA).

In the case of church voluntary aided schools, the admissions authority is the governing body of the individual school.

Within the County Borough each school has its own designated catchment area. Most parents/carers send their child to the 'local' school, but some parents/carers exercise their right to state a preference for a different school. In all cases parents/carers of pupils who are due to change schools in September 2017 will need to indicate, in writing, their preferred school. Admission to all schools is through the admission application process administered by the admission authority. When an application is made, there is no automatic right to attend a school. If there are fewer applications than places, all applicants are admitted. However, if there are more applications, then places are allocated according to the oversubscription criteria.

Parents/carers should express their right of preference:

- on admission to nursery class/school;
- on admission to reception class;
- on transfer from primary to secondary school;
- at any time that parents may wish to transfer their child from one school to another.

An appropriate form will be sent to all relevant parents/carers which will need to be returned to, School Admissions Team, Learning Department, Unit 5, Triangle Business Park, Pentrebach Merthyr Tydfil, CF48 4TQ in order to match parents/carers preferences with the availability of places at the school of their choice.

Please see 'Admission and Appeals Table'.

Parents/carers may further express their right of preference for a Welsh-medium school, or a church voluntary aided school.

The local authority and school governors **must** comply with any preference expressed, provided there is room within the school. However, the decision to admit pupils must have regard for:

- the overall provision of efficient education and efficient use of resources;
- The 1998 Education Act states that where a child has been permanently excluded from two or more schools, the parent/carer can still express a preference for a school place but the requirement for the admission authority to comply with that preference is removed for two years.
- Class sizes are limited to 30 by law for infant classes and by Welsh Government targets for junior classes.

A pupil who attends a school outside his/her local designated catchment area and subsequently makes an application to attend the local area school will not have an automatic right of admission to that school. The decision regarding admission will depend upon the admission number of the school and the number of pupils in the particular year group i.e. whether there is room.

The catchment areas for schools providing primary education are normally grouped together to form a linked catchment area for each maintained secondary school. Pupils who reside outside a secondary school's catchment area must seek admission via the arrangements stated in C(6) (Page 8). Admission/attendance of pupils at a feeder primary school does not provide automatic entry to the preferred secondary school.

All schools within the Authority aim to provide their pupils with an educational opportunity best suited to the needs of the individual child. Some pupils will have learning needs requiring special educational provision and, in some instances, parents/carers will receive specialist support and guidance regarding the choice of school for their child. All parents/carers are encouraged to discuss possible areas of concern with their local headteacher who also has access to specialist advice. The Authority's policy takes into account the provision of the Additional Learning Needs and Disability Act 2001.

## **B. ADMISSION LIMIT**

1. Every school has an admission number which is set according to the school's capacity to accommodate pupils. It represents the maximum number of pupils which should be admitted to the school's normal year of entry (i.e., reception in primary schools and Year 7 in secondary schools) if sufficient applications for admission are received. The admission number should not normally be exceeded. In all but the most exceptional circumstances, the admission number would be applied to year groups other than the normal year of entry. In the list of schools on pages 17-19 the admission limit is indicated.
2. A child will normally be offered admission to a school of the parents/carers preference unless the admission number has been reached.

Where applications exceed places, the admissions oversubscription criteria (set out on pages 11-12) will be applied.

3. The size of infant classes is restricted by law to 30 or fewer pupils. If the relevant admission number has been reached, the local authority will not admit a child to a year group where to do so would conflict with the class size legislation. Junior class sizes are limited in line with Welsh Government targets.

However, certain types of children ('excepted pupils') can be discounted for the purposes of ascertaining whether or not the limit of 30 is exceeded. These now include:-

- 'looked after children' admitted outside the normal admissions round;
- pupils for whom education at a school of a particular religious character is desired and who are admitted to such a school outside the normal admissions round and;
- reception pupils who are admitted out of the normal admissions round after the first day of the school year where the school has not reached its admission number but has already organised its classes.
- Children with siblings (brothers and sisters) living in the same household attending the school. Where there is only one place available and children

of multiple births (twins, triplets) have next priority, to conform with infant class size legislation, parents will be given a choice of place at time of application. The regulations can allow exceptions to the class size limits in these circumstances.

4. Most primary schools in the County Borough also provide nursery education. However, **there is no automatic entry to reception for children who have attended a nursery class at these schools.** Applications for places will be required and oversubscription criteria will be applied if necessary.

The normal ages for admission in Merthyr Tydfil are:

Where nursery pupils enter a reception class on first admission to a school they will count towards the recognised admission number/admission limit.

Age 3/4-nursery and age 4-5 reception in primary school;

Age 11/12 in secondary schools.

Compulsory school age begins as follows:

1st September for those who reached 5 years of age between the preceeding 1st April and 31st August;

1st January for those who reached 5 years of age between the preceeding 1st September and 31st December;

1st April for those who reached 5 years of age between the the preceeding 1st January and 31st March.

## C. ORGANISATION OF SCHOOLS

### 1. Nursery Education

Although it has been the local authority's long-standing position that every child should have access to free part-time nursery education from the start of the term following the child's third birthday, in practice children start attending nursery schools or nursery classes at the age of 3 or 4 years, depending on class number limitations and local demand. However, the local authority is currently considering the issue of nursery education and therefore the position might change in the future. Nursery education is a non statutory provision and there is therefore no right of appeal against the admission authority's decision.

Pupils who are admitted to a nursery class will not have an automatic right to continue education at that school. Whilst every effort will be made to accommodate these pupils, a formal application must be made for transfer to the Reception class (upon transfer from nursery). There may be occasions when, due to oversubscription, it will not be possible for this transfer to take place.

### 2. Primary Education

Every child is required by law to receive full-time education from the beginning of the school term after his/her fifth birthday. In Merthyr Tydfil all children are entitled to start school at the beginning of the school year (September) in which they become five. Children will be able to attend school when they are aged three or four and parents should discuss this provision with the staff in School Admissions Team,

Learning Department. Children between the ages of 3/4-11 years are recognised as pupils receiving primary education. In Merthyr Tydfil primary education is provided either in separate nursery or primary schools.

### 3. Admission to Reception Class

Parents/carers of children attending a nursery class in a school, or a feeder nursery school, have to apply for a place in the main school when the child reaches the age for admission to primary school. **Children attending a nursery class do not transfer automatically to the school.**

(For details of the over subscription criteria for pupil entry please refer to pages 11-12, Section I).

### 4. Admission to Primary Schools

Pupils who will attain the age of five during the school year may be admitted to primary school at the commencement of the school year in September.

Parents/carers should notify the local authority in advance if they have a child who will reach the age of 4 years by 31st August, 2017. Admission applications are sent out during the Autumn term and it is important that you do not miss out on a place due to a late application. Although places are offered by the local authority, parents/carers may also wish to let their local primary know that they have a child approaching school age. If parents/carers are unsure which school normally serves their locality they should contact the School Admissions Team for advice (01685) 724620.

If parents/carers wish their child to attend a primary school which does not serve their locality they should contact the Learning Department, School Admissions Team for advice (01685 724620). Applications for such admissions should be made as early as possible and as stipulated in Section H "Applying for a Place" (page 11).

### 5. Changing Schools: Primary Education

Changing schools during primary education is a serious step for a child. Such a decision may be unavoidable, e.g. as a consequence of the family moving home, and in such circumstances parents/carers will need to contact the local school as well as the School Admissions Team for assistance (01685 724620). If parents/carers would like their child to transfer from one school to another they should first discuss the position with the present headteacher. If, following this discussion, parents/carers still wish to transfer their child to a new school they should contact, School Admissions Team for advice before making the application. Please refer to Part Two (page 16) for information relating to home to school transport. If there is a suitable vacancy, a child will be admitted to the school. Classes may include more than one age group in which case the headteacher will have the task of locating the child in the most

appropriate class. The Government has limited the number of children able to attend primary classes to a maximum of 30 pupils, in reception, Year 1 and Year 2 classes. This could result in no suitable vacancy being available at the school. Classes may include more than one age group in which case the headteacher will have the task of locating the child in the most appropriate class. The Government has limited the number of children able to attend primary classes to a maximum of 30 pupils, in reception, Year 1 and Year 2 classes. This could result in no suitable vacancy being available.

## 6. Admission to Secondary Schools

Children will transfer from primary school to secondary school at the beginning of the school year following their eleventh birthday. All such transfers must be made by means of a completed application form. If a child was born between 1st September 2005 and 31st August 2006 she/he will automatically transfer to the local secondary school in September 2017. Headteachers of primary schools will be able to inform parents/carers of the secondary school which their children should normally attend and advise parents/carers of the transport arrangements adopted by the local authority. If parents/carers wish their child to attend a secondary school which does not serve their locality, they should contact the School Admissions Team, Learning Department for

advice (01685 724620). Applications for such admissions should be made as early as possible and as stipulated in Section H “Applying for a Place” (page 11). The relevant criteria are listed in Section I “What Happens When Too Many Children Apply for Places?” (pages 11-12).

### **Examinations**

The Merthyr Tydfil County Borough Council adheres to the advice, guidance and legislation provided by Welsh Government with regard to entrance for public examinations. Further information on school policy can be gained from the school direct, along with details of the appropriate level for the subjects they study. Examination fees are normally paid by the school, subject to terms and conditions.

## 7. Changing Secondary Schools

Changing schools during secondary education is a serious step for a child. Such a decision may be unavoidable, e.g. as a consequence of the family moving home, and parents in such circumstances will need to contact the local school as well as the School Admissions Team for assistance (01685 724620). If parents/carers would like their child to transfer from one school to another they should first discuss the position with the present headteacher. If, following this discussion, parents/carers still wish to transfer their child to a new school they should contact the School Admissions Team for advice before making the application. Please refer to Part Two (page 16) for information relating to home to school transport.

If the relevant year group in the receiving school has not reached the

school's published admissions limit (including, where appropriate, the recognised number of reserve places) for children whose parents/carers have already applied for a place at the school for them, then the child should be admitted to the school. It should be noted that curriculum option choices may vary from school to school.

## **D. WELSH LANGUAGE POLICY**

In accordance with the Education Act 1996 – Section 354, it is the local authority's policy that every child should have the opportunity to learn and use the Welsh language. Provision is made for this in the following way:

1 Welsh as a second language in English medium schools:

- Welsh is taught to all pupils at Key Stage 1. Emphasis is placed on the development of oral skills within a meaningful context. The incidental use of the language during the school day is encouraged.

- Welsh is further developed at Key Stage 2 with a greater emphasis on reading and writing skills.

- Since September 1999, Welsh has also been taught to all pupils at Key Stages 3 and 4.

2 Provision for Welsh-medium Education:

- Education is available at Welsh-medium primary schools to all pupils whose parents select Welsh-medium education:

- (i) Ysgol Gynradd Gymraeg Santes Tudful
- (ii) Ysgol Gynradd Gymraeg Rhyd-y-Grug

- Although the main medium of instruction is Welsh, appropriate standards in English are maintained.
- Parents/carers can indicate their preferences for a Welsh-medium education place when completing an application form. Although places are offered by the local authority, parents/carers may also wish to let their local primary know that they have a child approaching school age. If parents/carers are unsure which school normally serves their locality they should contact the School Admissions Team for advice (01685 724620).
- Pupils attending Welsh-medium primary schools will be able to continue their education in Welsh-medium secondary schools outside the County Borough. The local authority has close links with Ysgol Gyfun Rhydywaun in Rhondda Cynon Taf.

## **E. ADMISSION TO VOLUNTARY AIDED SCHOOLS**

Within the County Borough of Merthyr Tydfil there are four voluntary aided schools which are maintained by the local authority, but which are organised and run by the Roman Catholic Diocesan Education Authority in partnership with the local authority.

The governing bodies of the Roman Catholic schools manage the admission arrangements for their schools. Admission applications should be made to:

Merthyr Tydfil CF47 9PA  
Tel: (01685) 351809

For further information regarding the Admission Policies of Voluntary Aided Schools please contact the school directly or see the following website:

Website: [www.merthyr.gov.uk](http://www.merthyr.gov.uk)

## F. **ADMISSION ARRANGEMENTS FOR PUPILS WITH ADDITIONAL LEARNING NEEDS**

### **Pupils with additional learning needs but without statements**

Admission arrangements for children with additional learning needs but without statements are treated on the same basis as other applicants. Applications in respect of such children are considered on the basis of the local authority's admission criteria.

Pupils with additional learning needs may need access to specialist provision, such as Learning Resource Base (LRB). Admission to a LRB is determined via a multi-agency panel and is regularly reviewed to ensure it remains the most appropriate provision for the child.

Where a child has attended an Early Years LRB, there is no automatic entitlement to attend a Key Stage 2 LRB this would be determined by the multi-agency panel.

If a child has made sufficient progress to return to mainstream education, an application form for admission would need to be made to their catchment area school. Parents/carers would retain the right to express a preference. In such case, any application for admission would be treated in exactly the same way as any other application for mainstream education and would therefore be subject to the published admission process.

### **Pupils with statements of special educational needs**

If a child has a statement of special educational needs maintained by the LA, the LA will be responsible for advising on special educational provision to be made by the school, and for considering the school's suitability when either finalising the statement or following an annual review.

All schools are appropriately resourced to meet additional learning needs through their own budgets. Some schools are further resourced with integral resource bases addressing certain additional learning needs.

If the parent/carer of a child with a statement wishes to appeal against the school named in the statement, or that no school has been named, an appeal can be made to the SEN TW (SEN Tribunal for Wales), Government Buildings, Spa Road East, Llandrindod Wells, Powys, LD1 5HA, Tel: (01597) 829800, E-mail: tribunalenquiries@wales.qsi.gov.uk.

If you require a copy of the Additional Learning Needs Policy it is available on the website [www.merthyr.gov.uk](http://www.merthyr.gov.uk) or contact ALN Team, Learning Department, Tel (01685) 724616.

## G. ARRANGEMENTS WITH NEIGHBOURING LOCAL AUTHORITIES

Parents may apply for their child to attend any school, in any local authority, subject to that school/local authority's admission criteria and providing that school has sufficient places. Enquiries should be made to the admission authority of that local authority in the first instance.

## H. APPLYING FOR A PLACE

Applying for a place in a school must be made through the admission/local authority on the official forms. The criteria listed on pages 11-12 in Section I "*What Happens When Too Many Children Apply for Places?*" will place all applicants in order of priority for admissions. Parents/carers should apply by **21st October 2016** for admission to **Secondary** school in September 2017, and by **18th November 2016** for admission to **Reception** class in primary schools in September 2017; and by **16th December 2016** for admission to **Nursery** class in

September 2017. The local authority will write to parents/carers offering a place and will also advise if it is not possible for a child to attend the preferred school.

Each school produces a prospectus which contains pertinent information including details of its aims and educational beliefs, organisation, curriculum opportunities, and any extra curricular activities. A school's prospectus is available from the headteacher.

## I. WHAT HAPPENS WHEN TOO MANY CHILDREN APPLY FOR PLACES?

If the number of preferences for a school is below the school's admission number, all applications for admission to the school will be granted. Places can not be reserved for 'in catchment' children unless they are children of reception age whose parents have applied for their entry to school to be deferred until a later date in the same school year.

If there are more applicants than places available the local authority will apply the following oversubscription criteria in order to determine the allocation of available places:

**Priority Category 1:** 'Looked After' children (children in public care) and previous 'Looked After' children.

**Priority Category 2:** Children whose home is inside the school's catchment area and have an older sibling attending the school from the same address, at the date of application, who will continue to attend that school in September 2017.

**Priority Category 3:** Children whose home is inside the school's catchment area who do not have an older sibling attending the school.

**Priority Category 4:** Children whose home is outside the school's catchment area and have an older sibling attending from the same address, at the date of application, who will continue to attend that school in September 2017.

**Priority Category 5:** Children whose home is outside the school's catchment area who do not have an older sibling attending the school.

For the avoidance of all doubt the reference to 'home' in the oversubscription categories above and the 'tie breaker' below refers to the actual location of the residential dwelling in which the child lives.

**PLEASE NOTE THAT:**

- Childcare/childminding arrangements or a parent's place of work cannot be taken into account when applying admissions criteria.
- The date a parent/carer request with a school that their child's name be put on their schools initial list is not a criteria for entry and does not guarantee a place; it merely enables an application form to be sent out at the correct time.

Please ring the School Admissions Team for advice (01685) 724620.

## J. VERIFICATION OF INFORMATION

### 1. Birth Certificate

A copy of the birth certificate should be attached to the application form in order to verify the details of the child/children applying for admission to school.

### 2. Home address

Verification of address, for example a Council Tax Statement, recent utility bill, exchange of contracts, should be attached to the application form. This must be the child's permanent home address. Any place approved on the basis of residence will be withdrawn if the pupil is no longer permanently resident at the address at the beginning of the school term to which the application relates.

### 3. Medical Need

Children recommended for placement for medical, psychological or special educational reasons (these must be confirmed by the local authority's professional advisers).

### 4. Multiple Births

If when applying the oversubscription criteria the last child to be admitted is one of a multiple birth eg twins, triplets, they have next priority for a place. There is legislation which covers class size limits and in such circumstances the regulations can allow exceptions to the class size.

### 5. UK Service Personnel

Children of UK Service Personnel will be treated as in catchment if their application for admission form is accompanied by an official Ministry of Defence (MOD) or Foreign Commonwealth Office (FCO) letter declaring a definite return and confirmation of the new address.

## **K. WHAT HAPPENS IF A CHILD IS REFUSED A PLACE?**

All maintained schools (including schools with a designated religious character), that have enough places available must offer a place to every child who has applied.

In the vast majority of cases children are offered places at their parents/carers first choice of school. If a child is unable to gain admission to a preferred school, parents/carers will need to decide whether they are willing to accept a place offered at an alternative school or whether they wish to continue with their first application. If parents/carers choose the latter course they may appeal to an Independent Appeal Panel. The Independent Appeal Panel will judge whether there is a case for a child to be offered a place. Before parents/carers appeal, they are advised to fully consider the school/LA's admission criteria. It should be noted that only pupils of statutory school age have a right of appeal.

The LA has a statutory power to direct the governing body for a maintained school for which it is **not** the admissions authority to admit any child where the child has been refused admission to each school which is a reasonable distance from the child's home. It is not necessary for the LA to use this power for community and voluntary controlled schools as such schools do not have the power to refuse admissions.

Since the introduction of the regulations regarding infant class sizes, admission authorities may refuse to admit a child to a school where admission would oblige the school to take measures such as employing an extra teacher or building an extra classroom in order to comply with the new limits. In an appeal against admission, the Appeal Panel will only be able to uphold an appeal if the decision was not one which

a reasonable admission authority would make in circumstances of the case or the child would have been offered a place if the admission policy had been properly implemented.

**PLEASE NOTE:** there is no right of appeal for nursery places.

## **L. ADMISSIONS AT OTHER TIMES**

Application for admission to a primary or secondary school at other times e.g. for those moving into the County Borough, should be made to the School Admissions Team (01685) 724620, where an officer will be able to advise on the admission procedure and availability of places.

## **M. SIXTH FORM ADMISSIONS (The College Merthyr Tydfil)**

There are no longer sixth form admissions to secondary schools within the authority. This provision will now be accessed via the integrated tertiary learning facility, The College Merthyr Tydfil. Admission queries can be sent via email to: [questions.college@merthyr.ac.uk](mailto:questions.college@merthyr.ac.uk)

Information is also available via [www.merthyr.ac.uk/mtc](http://www.merthyr.ac.uk/mtc)

## **N. WAITING LISTS**

For the more popular schools, which may become oversubscribed, the local authority maintains a waiting list. Following the allocation of places during the normal admission round, any pupil that is refused admission to an over-subscribed school

will remain on this list, which will be maintained until 30th September (in line with the recommendation in the Schools Admissions Code). Thereafter parents/carers will be expected to make a fresh application for admission to their preferred school. Admissions in respect of pupils on waiting lists are determined by application of the over-subscription criteria, not by the length of time that a child has been on the waiting list.

## **O. FOOD AND DRINK IN SCHOOLS**

All schools in Merthyr Tydfil follow the Healthy Eating Initiative set out by Welsh Government. This provides the strategic direction and actions required to improve the nutritional standards of food and drink served in schools across Wales. For further information regarding Healthy Eating, please see the following:

Catering Service Team Tel No: 01685 725181

E-mail: [school.catering@merthyr.gov.uk](mailto:school.catering@merthyr.gov.uk) or  
Website: [www.merthyr.gov.uk/schoolsandcolleges/pages/schoolcatering.aspx](http://www.merthyr.gov.uk/schoolsandcolleges/pages/schoolcatering.aspx)

## **P. PROVISION OF FREE SCHOOL MEALS AND SCHOOL CLOTHING**

### **1. Free School Meals**

Free school meals are available to all children whose parents/carers claim certain benefits and have applied to the Council. If qualifying, your child's school will automatically be told that he/she can be given a meal. In addition to qualifying for free school meals, the application means that your child will automatically be able to seek financial support towards the cost of a uniform. (See section below)

Many children across Merthyr Tydfil may be entitled to free school meals and uniforms, but are not receiving them because they have not applied to the Council. You can apply by collecting a free school meal application form from your child's school, or the Benefit section at the Civic Centre. If you make a new claim for Housing Benefit or Council Tax Reduction, you will also be asked if you wish to apply for free school meals. Please contact the Benefits Team for more information and assistance (01685) 725116 or e-mail [benefits@merthyr.gov.uk](mailto:benefits@merthyr.gov.uk)

### **2. Awards to Pupils**

#### **(i) School Uniform Grants**

The Welsh Government provides a School Uniform Grant Scheme to assist families on a low income with the purchase of school uniform for their children. The grant is available to eligible Year 6 pupils moving into secondary school with an existing entitlement to free school meals and to pupils in special schools, special needs resource bases and pupil referral units who are aged 11 years and have an existing entitlement to free school meals.

#### **(ii) Clothing Grants**

Grants towards the cost of school clothing may be available if parent/carers are in receipt of Income

Support or Income Based Job Seekers Allowance. Please contact your child's prospective secondary school as each school has its own procedure for making these allowances.

## Q. CHILDREN OF UK SERVICE PERSONNEL

**School Admissions Code guidance relating to the children of service personnel**

**Normal admissions round/ where school places are available**

Admission authorities must not refuse a place to the child of currently serving service personnel because the family is not yet living in the area.

'In year' movement should be treated the same as in advance of the school year.

Whilst the parent/s remain in the armed forces the provisions of the Code that apply to children of UK Service personnel should apply. These are as follows;

**'Children of UK Service personnel and other Crown Servants (including diplomats)**

*3.65 Families of UK Service personnel and other Crown Servants are subject to frequent movement within the UK and from abroad, often at relatively short notice. School places **must** be allocated to children and their families in advance of the approaching school year if accompanied by an official Ministry of Defence (MOD) or Foreign and Commonwealth Office (FCO) letter declaring a return date. Children of UK Service Personnel may be given excepted status for infant class size purposes when admitted to a school outside the normal admission round.*

# PART TWO

## SCHOOL TRANSPORT POLICY

The authority has a statutory duty to provide pupils with free transport to the nearest available school if they reside beyond 'walking distance' to that school. The law relating to 'walking distance' is defined as two miles for primary age and three miles for secondary age, measured by the nearest available safe walking route. Merthyr Tydfil County Borough Council currently provides transport as follows:

- for primary age pupils residing over 2 miles from their nearest or designated catchment area primary school and;
- for secondary age pupils residing over 3 miles from their nearest or designated catchment area secondary school.

The latest information can be found on the authority's website; or by contacting the School Transport Department (01685) 726256.

The distance criteria apply to all schools including Faith and Welsh-medium schools. However, where pupils attend, as a result of parental choice, a school other than the nearest or designated catchment area school, it must be understood that parents accept full responsibility for transport costs and arrangements. If a child qualifies for free transport, a place will be provided on a contract vehicle serving the particular area.

# PART THREE

## A. LIST OF SCHOOLS

All schools within the Merthyr Tydfil County Borough Council are co-educational

All schools teach through the medium of English, except the two Welsh Medium Primary Schools

The Local Authority constantly reviews the Planning of School Places, which could result in a change to the Admission Number. Subsequently the schools recorded Admission Number may be amended.

#### 4. Derbyniadau Babanod o Fewn Ysgolion Cynradd

Gall disgyblion sy'n cyrraedd pump oed yn ystod y flwyddyn ysgol gael eu derbyn i adranau babanod ar ddechrau'r flwyddyn ysgol ym mis Medi.

Dyled rieni/gofalwyr rhoi gwybod o flaenllaw i'r awdurdod lleol os oes ganddynt plentyn a fydd yn troi 4 erbyn Awst 31ain, 2017. Dantoir ceisiodaau ar gyfer derbyniadau yn ystod tymor yr Hydref, ac mae'n bwysig i beidio colli allan ar safle o ganlyniad i ymgais hwyr. Awdurdod lleol i'r rhieni/gofalwyr y bydd angen ei dychwelyd i'r awdurdod lleol er mwyn ystyried a phrosesu'r cais. Os yw'r rhieni/gofalwyr yn ansicr pa

Yn ôl y gyfraith, mae'n ofynnol i bob plentyn dderbyn addysg llawn amser o ddechrau'r tymor ysgol ar ôl ei bumed penblwydd ef neu hi. Ym Morthyr Tudful mae hawl i bob plentyn ddechrau'r ysgol ar ddechrau'r flwyddyn ysgol (Medi) pan fyddan nhw'n troi'n bump.

## 2. Addysg Gynradd

Ni fydd hawl awtomatig gan ddisgyblion a dderbynnir i ddosbarth meithrin i barhau â'u haddysg yn yr ysgol honno. Er y gwneir pob ymdrech i roi lle i'r disgyblion hyn, rhaid gwneud cais ffurfiol am drosglwyddo i'r dosbarth Derby'n (adeg trosglwyddo o'r meithrin). Gallai fod adegau yn sgil gordanysgriho pan na fydd yn bosibl i'r trosglwyddo hwn ddigwydd.

Er y bu'n safie hirsefydlog yr awdurdod lleol y dylai pob plentyn gael mynediad i addysg feithrin ran amser am ddim o ddechrau'r tymor yn dilyn trydydd pen-blwydd y plentyn, yn ymarferol mae plant yn dechrau ysgolion neu ddosbarthiadau meithrin yn 3 neu 4 oed yn dibynnu ar gyfyngiadau niferedd a galw lleol. Fodd bynnag mae'r awdurdod lleol ar hyn o bryd yn ystyried addysg feithrin felly gallai'r safie newid yn y dyfodol. Mae addysg feithrin yn ddarpariaeth anstatudol felly nid oes hawl apelio yn erbyn penderfyniad yr awdurdod derbyn.

## C. TREFNIADAETH YSGOLION

### 1. Addysg Feithrin

1af Ionawr i'r rheini sy'n dod yn 5 oed rhwng y 1af Medi blaenorol a'r 31ain Rhagfyr:  
1af Ebrill i'r rheini sy'n dod yn 5 oed rhwng y 1af Ionawr blaenorol a'r 31ain Mawrth.

1af Medi i'r rheini sy'n dod yn 5 oed rhwng y 1af Ebrill blaenorol a'r 31ain Awst;  
Mae oedran ysgol gorfodol yn cychwyn fel a ganlyn:  
11/12 oed mewn ysgolion uwchradd.

3 / 4 oed Meithrin a 4-5 derbyn mewn ysgol gynradd;  
Yr oedranau arferol ar gyfer derbyn ym Morthyr Tudful yw:

4. Mae'r rhan fwyaf o ysgolion cynradd a babanod yn y Fwrdeistref Siroi yn darparu addysg feithrin hefyd. Fodd bynnag, ni fydd lle awtomatig yn y dosbarth derbyn i blant sydd wedi mynychu dosbarth meithrin yn yr ysgolion hyn. Bydd angen gwneud cais am le a bydd y meini prawf gordanysgriho'n weithredol os bydd angen.

• Plant gyda brodyr a chwiorydd yn byw yn yr un cartref yn mynychu'r ysgol. Os mai dim ond un lle sydd ar gael, ac mae plant genedigolig hysog (efeilliaid ac ati) yn cael y flaenoriaeth nesaf, er mwyn cydymffurfio â deddfwriaeth maint dosbarthiadau cynradd, bydd rhieni'n cael dewis pan fyddant yn gwneud cais. Nid yw'r rheoliadau'n caniatáu eithriadau i gyfyngiadau maint dosbarthiadau yn yr amgylchiadau hyn.

- Fel arfer, cynigir lle i benty'n yr ysgol a ddewisir gan y rhiant/gofalwr heb law bod yr uchafswm nifer wedi'i gyrraedd. Pan fydd ceisadau'n uwch na'r lle sydd ar gael, bydd y meinï prawf gordanysgriho (a nodir ar dudalenau 11-12) yn cael eu gweithredu.
  - 3. Mae maint dosbarthiadau babanod wedi'i gyfyngu gan y gyfraith i 30 o ddisgyblion neu lai. Os bydd y nifer derbyn perthnasol wedi'i gyrraedd, ni fydd yr All yn rhoi lle i benty'n mewn grwp blwyddyn babanod lle byddai gwneud hynyn' groes i'r ddeddfwriaeth ar faint dosbarthiadau. Mae'r niferoedd mewn dosbarthiadau iau wedi eu cyfyngu'n unol â thargedau Llywodraeth Cymru.
- Serch hynny, gellir anwybyddu rhai mathau o blant ('disgyblion a eithri') i ddibenion penderfynu a yw'r trothy o 30 wedi'i groesi. Mae'r rhain bellach yn cynnwys:-
- 'plant sy'n derbyn gofal' a dderbyniwyd y tu allan i'r adeg derbyn arferol;
  - disgyblion sy'n dymuno cael addysg mewn ysgol o ffydd grefyddol arbennig ac a dderbyni'r i ysgol o'r fath y tu allan i'r adeg derbyn arferol;
  - phiant dosbarth derbyn a dderbyni'r ysgol pan fo'r ysgol heb gyrraedd ei nifer derbyn ond eisoes wedi trefnu'i dosbarthiadau.

### B. UCHAFSWM DERBYN

1. Mae gan bob ysgol nifer derbyn penodol wedi'i osod i gyd-fynd â'r lle sydd ar gael yn yr ysgol i gynnwys disgyblion. Mae'n cynrychioli uchafswm y nifer o ddisgyblion y dyllid eu derbyn ym blwyddyn y dderbyn arferol (h.y. dosbarth derbyn mewn ysgolion cynradd a babanod, Blwyddyn 3 mewn ysgolion iau a Blwyddyn 7 mewn ysgolion uwchradd) os ceir digon o geisadau am le. Ni ddylid derbyn mwy na'r nifer derbyn hwn fel rheol. Ymhob sefyllfa, heb law'r amgylchiadau mwyaf eithriadol, byddai'r ysgol yn gweithredu'r uchafswm derbyn heb law'r rhai ym blwyddyn arferol mynediad. Yn y rhest'r o ysgolion ar dudalenau 17-19 nodir yr uchafswm derbyniadau.

2001.

Mae pob ysgol yn yr Awdurdod yn ceisio rhoi'r cyfne addysgol mwyaf addas ar gyfer anghenion pob plentyn unigol. Bydd gan rai disgyblion anghenion dysgu sydd angen darpariaeth addysgol arbennig ac, mewn rhai achosion, bydd y rhieni/gofalwyr yn derbyn arweiniad a chefnogaeth arbennigol wrth geisio dewis ysgol i'w plentyn. Anogir pob rhiant/gofalwr i drafod pryderon posibl gyda'u pennaeth lleol, sydd hefyd yn gallu cael cyngor arbennigol. Mae polisi'r Awdurdod yn ystyried darpariaeth Deddf Anghenion Dysgu Ychwanegol ac Anabled

iddyn nhw yn yr ysgol uwchradd o'u dewis.

# RHAN UN POLISI DERBYN

Bydd ffurflen briodol yn cael ei hanfon i bob rhiant/gofalwr perthnasol y bydd angen ei dychwelyd i'r Tim Derbyniadau Ysgolion, Adran Dysgu, Uned 5, Parc Busnes Triong, Pentrebach, Merthyr Tudful, CF48 4TQ er mwyn cyfateb dewisiadau rhieni/gofalwyr ag argaeldd y llefydd yn yr ysgol ddehol.

## Gweler y 'Tabl Derbyn ac Apelio'.

Gall rhieni/gofalwyr ddefnyddio eu hawl i ddewis ymhellach am ysgol cyfrwng Cymraeg, neu ysgol wirfoddol dan gymorth yr eglwys.

Mae'n rhaid i'r All a llywodraethwyr ysgol gydymffurfio ag unrhyw ddewis a fynegir, cyn belled â bod lle yn yr ysgol. Fodd bynnag, mae'n rhaid i'r penderfyniad i dderbyn disgyblion ystyried:

darpariaeth gyffredinol o addysg effeithlon a defnydd effeithlon o adnoddau.

Deddf Addysg 1998, sy'n datgan y gall rhiant/gofalwr, lle bo plentyn wedi cael ei wahardd yn barhaol o ddwy ysgol neu fwy, ddal i fynegi dewis am le mewn ysgol, ond mae'r rheidrwydd ar yr awdurdod derbyn i gydymffurfio â'r dewis hwnnw wedi ei ddileu am ddwy flynedd.

Mae niferoedd mewn dosbarthiadau wedi cael eu cyfyngu i 30 yn ôl y gyfraith i ddosbarthiadau babanod a chan dargedau Llywodraeth Cymru i ddosbarthiadau iau.

Os bydd disgybl sy'n mynychu ysgol y tu allan i'w ddaliglych dynodedig yn gwneud cais yn ddiweddarach i fynychu'r ysgol leol, ni fydd ganddo ef na hi hawl awtomatig i gael lle yn yr ysgol honno. Bydd y penderfyniad ynglyn â derbyn yn dibynnu ar nifer derbyn yr ysgol a nifer y disgyblion yn y grŵp blwyddyn hwnnw h.y. a oes yna le ai peidio.

## A. DEWIS YSGOL

Mae derbyn plant i ysgolion yn cael ei reoli a'i weinyddu gan 'Awdurdod Derbyn'. Yn achos ysgolion cymunedol, yr awdurdod derbyn yw Cyngor Bwrdeistref Sirol Merthyr Tudful y cyfeirir ato hefyd fel yr Awdurdod Lleol (ALL).

Yn achos ysgolion gwirfoddol dan gymorth yr eglwys, yr awdurdod derbyn yw corff llywodraethu'r ysgol unigol.

O fewn y Fwrdeistref Sirol mae gan bob ysgol ei ddaliglych dynodedig ei hun. Mae'r mwyafrif o rhieni/gofalwyr yn anfon eu plant i'r ysgol 'leol', ond mae rhai rhieni/gofalwyr yn defnyddio eu hawl i ddewis ysgol wahanol. Ym mhob achos bydd yn rhaid i holl rhieni/gofalwyr disgyblion fydd yn newid ysgol ym mis Medi 2017 ddangos, ar bapur, yr ysgol o'u dewis. Mae derbyniadau i bob ysgol trwy'r broses ymgeisio am fynediadau a weinyddir gan yr awdurdod derbyn. Pan weir cais, nid oes unrhyw hawl awtomatig i fynychu ysgol. Os oes llai o geisiadau nag o leoedd, yna caiff pob ymgeisydd ei dderbyn. Fodd bynnag, os oes mwy o geisiadau, yna caiff lleoedd eu dyrannu yn ôl y meini prawf gordanysgrifio.

Dylai rhieni/gofalwyr fynegi eu hawl i fynegi eu dewis:

- Wrth i'r plentyn gychwyn yn y dosbarth meithrin/ysgol feithrin;
- Wrth i'r plentyn gychwyn yn y dosbarth meithrin
- Wrth drosglwyddo o ysgol gynradd i ysgol uwchradd;
- Ar unrhyw adeg y gall rhieni ddymuno trosglwyddo eu plentyn o un ysgol i un arall.

# CYFLWYNIAD

Dyluniwyd y llyfryn hwn i roi gwybodaeth gyffredinol i rieni/gofalwyr am ysgolion meithrin, cynradd, uwchradd ac arbennig Merthyr Tudful ac yn fwy penodol am y trefniadau derbyn ac apelio sy'n rheoli'r ysgolion hynny. Cyhoeddwyd y ddogfen hon yn unol â Deddf Addysg 1996 a Deddf Safonau a Fframwaith Ysgolion 1998.

Mae'r wybodaeth yn ymwneud â'r flwyddyn ysgol 2017/2018 ac, er yn gywir ym mis Medi 2016, nid yw'n atal newidiadau i'r trefniadau perthnasol cyn dechrau, neu yn ystod, y flwyddyn ysgol 2017/2018 neu flynyddoedd dilynol.

Bwrriad y llyfryn hwn yw rhoi gwybodaeth a bod yn ddefnyddiol i rieni/gofalwyr sydd â hawl i ddewis i'w plentyn fynychu ysgol benodol.
